IN MEMORIAM

Frank Norton

Experiences of life were with him,
from Navy to N. J. C.

His job was humble, his task was great,
but his heart was large.

And as he pushed his broom along the path
of life,
he penetrated life's obstacles

and now has opened a chasm of the better life.

. . . We, the students of Newton Junior College, dedicate our 1968 Yearbook in memory of our friend Mr. Frank Norton.
